Series L Adjustable Height Single Desk

Features four memory buttons for programming your preferred heights

Series L Corner Desk available in right facing or left facing

SERIES L ADJUSTABLE HEIGHT DESK

The Series L Adjustable Height Desk is the 3-stage Sit/Stand solution for the modern workspace. Designed for optimal ergonomic performance and maximum accessibility, it provides the flexibility to transition from sitting to standing in seconds.

3 Formats for the Way You Work

SERIES L SINGLE DESK

SERIES L DOUBLE DESK

SERIES L CORNER DESK

Bells + Whistles

- Position the Series L's work surface at any height between 25" and 50.5" to get your keyboard at the optimal ergonomic level
- The extended range of motion supports multiple uses, from low table to standing desk for someone up to 6'6"
- Electrically-driven legs move surface up or down with the touch of a button
- Four memory buttons for programming your preferred heights
- Laminate tops are stain-resistant and easy-to-clean
- Resilient soft edge desktop band protects desk from dings
- Plugs into a standard 15A outlet
- Tool assembly required; White Glove installation recommended
- Customize with 8 different top finishes and sizes to get the right look for your office
- Meets the durability standards for the commercial office industry (BIFMA)
- If BIFMA's ergonomic G1 standards and ADA compliance are of value to your team, the Series L may fulfill your needs—reach out to your Account Executive to learn more
- Designed by Poppin in NYC

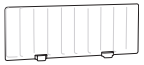
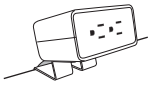
PRIVACY + POWER

From integrated power systems to cable management solutions, our Series L accessories let you customize your standing desk to meet all the needs of busy teams.

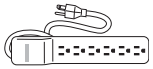


1. PRIVACY + MODESTY PANELS
Find more personal space in the open office with our pinnable or translucent Privacy and Modesty Panels.



2. DESKTOP CONVENIENCE OUTLET
Add outlets at your fingertips for full power and USB charging whenever you need it. Clamp it to the desk edge and plug into the 4-Trac Electrical System (sold separately) installed in the Power Tray.

3. SERIES L CABLE HIDEAWAY
Designed to fit under our Series L Desk Top, the Cable Hideaway is an elegant way to reduce visual clutter and hide all your loose cables. Mounting screws included.



4. BELKIN POWER STRIP
The Belkin Power Strip minimizes the number of power cords extending from the desk surface into the Power Tray, ensuring less mess and risk of entanglement as the desk moves. Mounting screws included.

5. BYRNE 4-TRAC POWER
The Byrne 4-Trac Electrical System is an economical, streamlined power distribution solution that is easy to install and adapt based on your needs. The system is available with a plug end that goes directly into a 20 amp wall outlet, or it can be hard-wired into your building's electrical grid.

CABLE MANAGEMENT COLUMN *not shown*
Our Cable Management Column is designed to channel multiple cables to create a clean look and minimize cord clutter. The column works best with Series L Single Desks and the Series L Corner Desk.

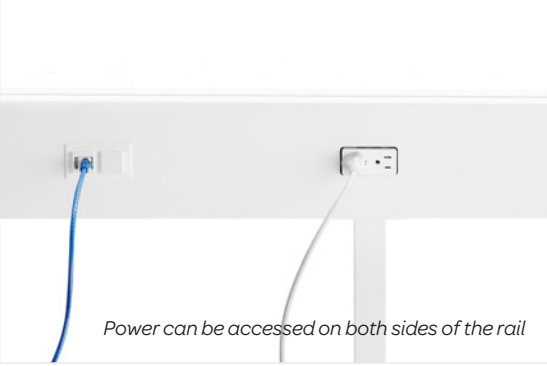
Multiple configurations allow you total freedom over your floorplan

Our Boom Privacy Panels dampen sound and minimize visual clutter in the open office

Available in round or square legs + feet



Power can be accessed on both sides of the rail

BOOM POWER RAIL + PRIVACY PANEL

Our Boom Power Rail + Privacy Panel allows you to move your desks exactly where you want them. By bringing power to any spot in your space, you have complete freedom over your floor plan. The Boom Power Rail, which comes with rounded or square legs, is compatible with Raise Desks, Series A Single Desks, Series L Single Desks, and even our Block Party and QT Lounge system.

Bells + Whistles

- Our Boom Power Rail is designed to work with Byrne's best-in-class 8Trac power system, which includes four circuits. Professional installation required
- Each Boom Power Rail provides eight 15amp plug points
- Includes an additional opening for installation of data and video plug options, including Cat6 or HDMI (or it can be capped closed)
- Use with or without Boom Privacy Panels (sold separately)
- Privacy Panel clips can be removed if not using Privacy Panels
- Can be used to power any desk or workspace
- Choose from rounded or square legs
- Meets the durability standards for the commercial office industry (BIFMA)
- Designed by Poppin in NYC

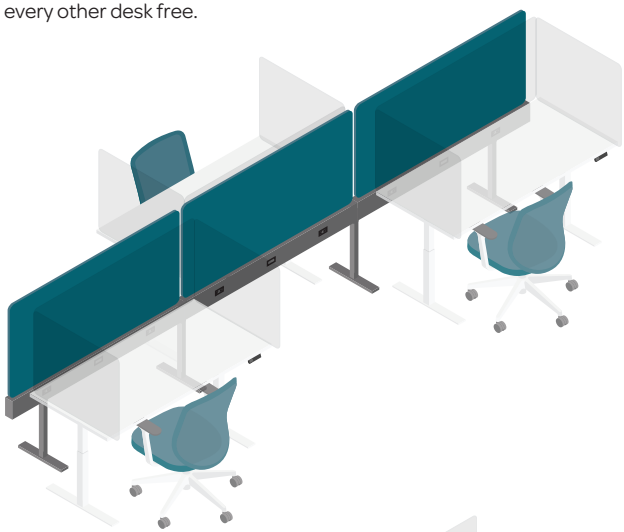
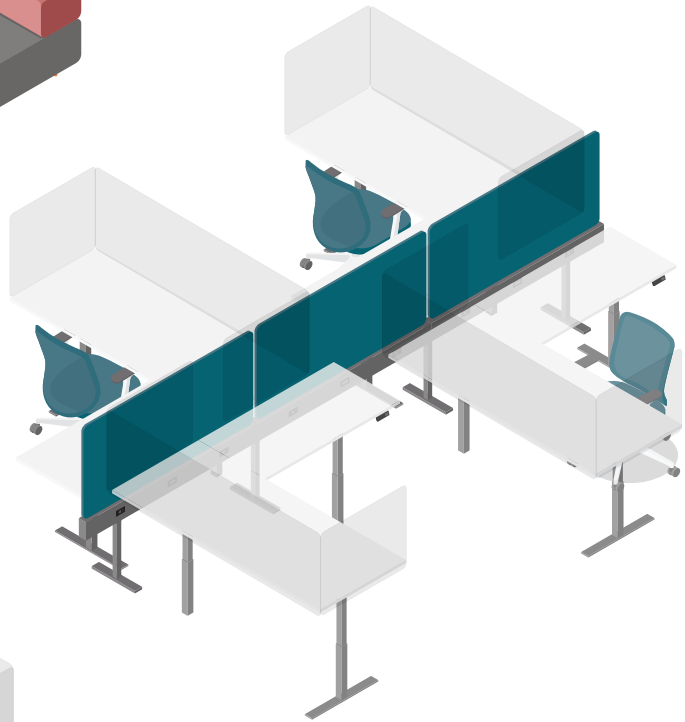
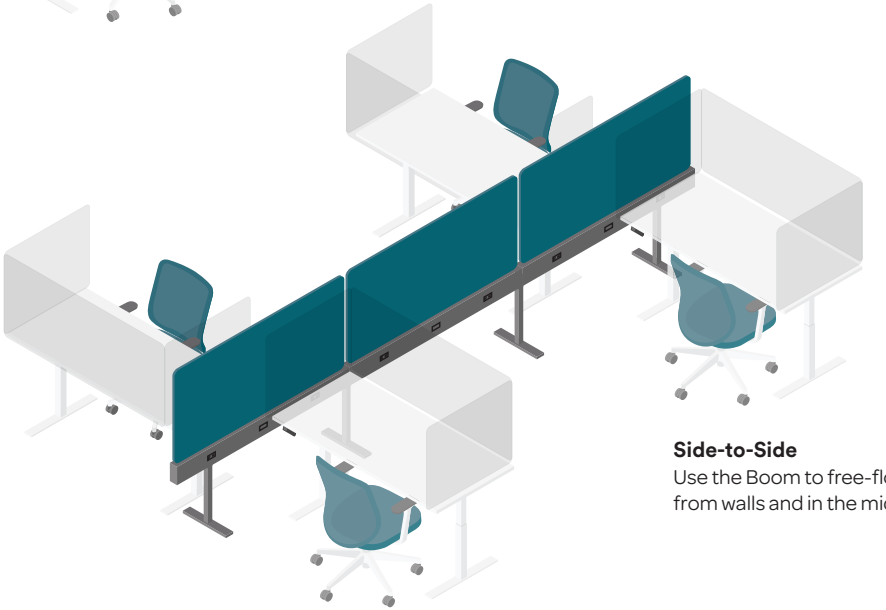
Breakaway
Use our Boom Power Rails to create a powered-up breakaway space for private work.

Alternate Sides
Keep 6' of distance between employees by keeping every other desk free.





Corner
Series A or Series L Corner Desks allow you to give your teammates a little extra leg room.



Side-to-Side
Use the Boom to free-float a pod of desks away from walls and in the middle of an office space.
