Office Inspiration

**Everything you
need to inspire
great work.**

03 Furniture

11 Desktop

15 Customization

“

The inspiring office represents the legacy of what the workspace has been and the new frontier of what it could be.

JEFF MILLER
Poppin VP of Design

Furniture

Promote communication and creativity while allowing for private work with the Poppin Furniture Collection, designed to create discrete Work and Collaboration zones.

Work

Personal workspaces allow for independent thinking and make room for headphones-up hard work.

“

Poppin's Furniture Collection
allowed us to design spaces
where our team loves to work.

NATALIE NAGELE
Co-founder, Wildbit

Our ingenious design team eliminated screws, tools, and headaches from our Furniture Collection, saving you time and assembly expenses.

Our ingenious design team eliminated screws, tools, and headaches from our Furniture Collection, saving you time and assembly expenses.

Collaboration

Make room for impromptu meetings, creative brainstorming, and kicking back with co-workers.
