See how the Poppin Furniture Collection can work for you.

Mind Gym's high-growth team needed a desk solution that grew with them. Our Series A Desks assemble in seconds without tools, making them a snap to add on to and reconfigure.

Stow File Cabinets in White + Light Gray provide a subtle hint of color to their storage. Neutral furniture allows them to add vibrant touches in Lime Green, their company color.

FLOORPLAN

We work directly with brands and/or their designers to create an assortment based on the project's unique needs.

POPPIN TIP

Put flexibility first! By combining personal workspaces, standing collaboration zones, and comfortable lounge spaces, employees stay inspired as they move through their work day.
