**Pile on!** The craterlike *Isle* lounge is bound to spark conversation—and conviviality. Designed by Slovenia's Asobi studio in a glossy carbon/epoxy "sandwich," the oversize piece comes in XS, S, and L, ranging in width from about 12 to 18 feet. Opt for a natural carbon-fiber appearance or any RAL color you desire. The indoor model can be upholstered in a special 3-D material; the outdoor choices are naturally, UV- and water-resistant.
