2. Northern Parallels from Roppe

Northern Parallels is a new series of LVT visual options that are inspired by nature and correlate to the freshly updated Northern Timbers palette. It consists of six collections and is available in 24 colors and patterns in several sizes. With this launch, Roppe now proudly states that its full line of LVT products are made in the United States.

3. Ally Collection from m.a.d. furniture design

Inspired by the classic split back cafe chair, the Ally collection consists of contemporary counter-height stools, chairs and tables that fuse the style of traditional frames with the functionality of outdoor furnishings. In earthy powder-coated finishes, including sage green, black and white, the dynamic collection is suitable for a variety of commercial settings.

12. KORE from Kimball

The KORE Work Cart, conceived by Swiss architect Daniel Korb, provides privacy and efficiency while maximizing work space. A rechargeable battery enables technology integration without being restrained to a single location, while pneumatic height adjust transfers the work area from sitting to standing simply and without any power requirement. kimball.com

13. MorCare from Morbern

Morbern adds to its popular healthcare vinyl line, MorCare, with three new patterns: Abbey, Cinema and Nomad. These two chic and vibrant patterns, plus one solid, come in a vast array of colors and feature antifungal and antimicrobial properties with which all MorCare products are fabricated. morbern.com

14. BioSymmetry from Patcraft

Patcraft's newest modular collection, BioSymmetry, is designed to explore the natural definition of visual balance through transparency of shape and pattern. The collection's three styles are available in 24-by-24-inch tiles that offer variation in scale. The graduated shift in pattern and color plays on the idea of positive and negative elements. patcraft.com

15. Loft 72" Executive Desk from Poppin

The Loft 72" Executive Desk is a sit-stand desk with integrated memory function technology. Its extended range of motion supports multiple uses, from low table to standing desk for someone up to 6'6", and the digital LED display features four memory buttons to program preferred heights. The desk is available in white, walnut or natural oak. poppin.com ➤
