New Product by Poppin: Standing Goal Dry Erase Board

A new product every office needs to take for a spin (on four casters): Poppin's Goal Dry Erase Board. A standing, moving, and grooving dry erase board that

will make every employee want to participate, the Goal Dry Erase Board offers two sides of dry erase surface for endless ideation and content generation. The board, which mimics the chic silhouette of fashion-forward clothing racks, pushes past utility to provide a furnishing that elevates meeting spaces and fosters productivity. Conceptualized in line with Poppin's guiding ethos, 'work happy,' the board taps school house nostalgia and pairs it with the flexibility needed in a modern office. Available with all the fittings by shopping Poppin's line of markers and accessories, the Goal Dry Erase Board is a one stop shop for keeping track of meeting ideas.
