## Gen 3 PoppinPod for 1

Need a new way to work in the open office? Designed to offer a quiet space in an open office environment, the upgraded Gen 3 PoppinPod is your turnkey privacy solution. Take a quick seat for focused work or a moment of calm. Or, stretch out your legs during a private video call.

# Pop in for Focused Work

## Gen 3 PoppinPod for 2

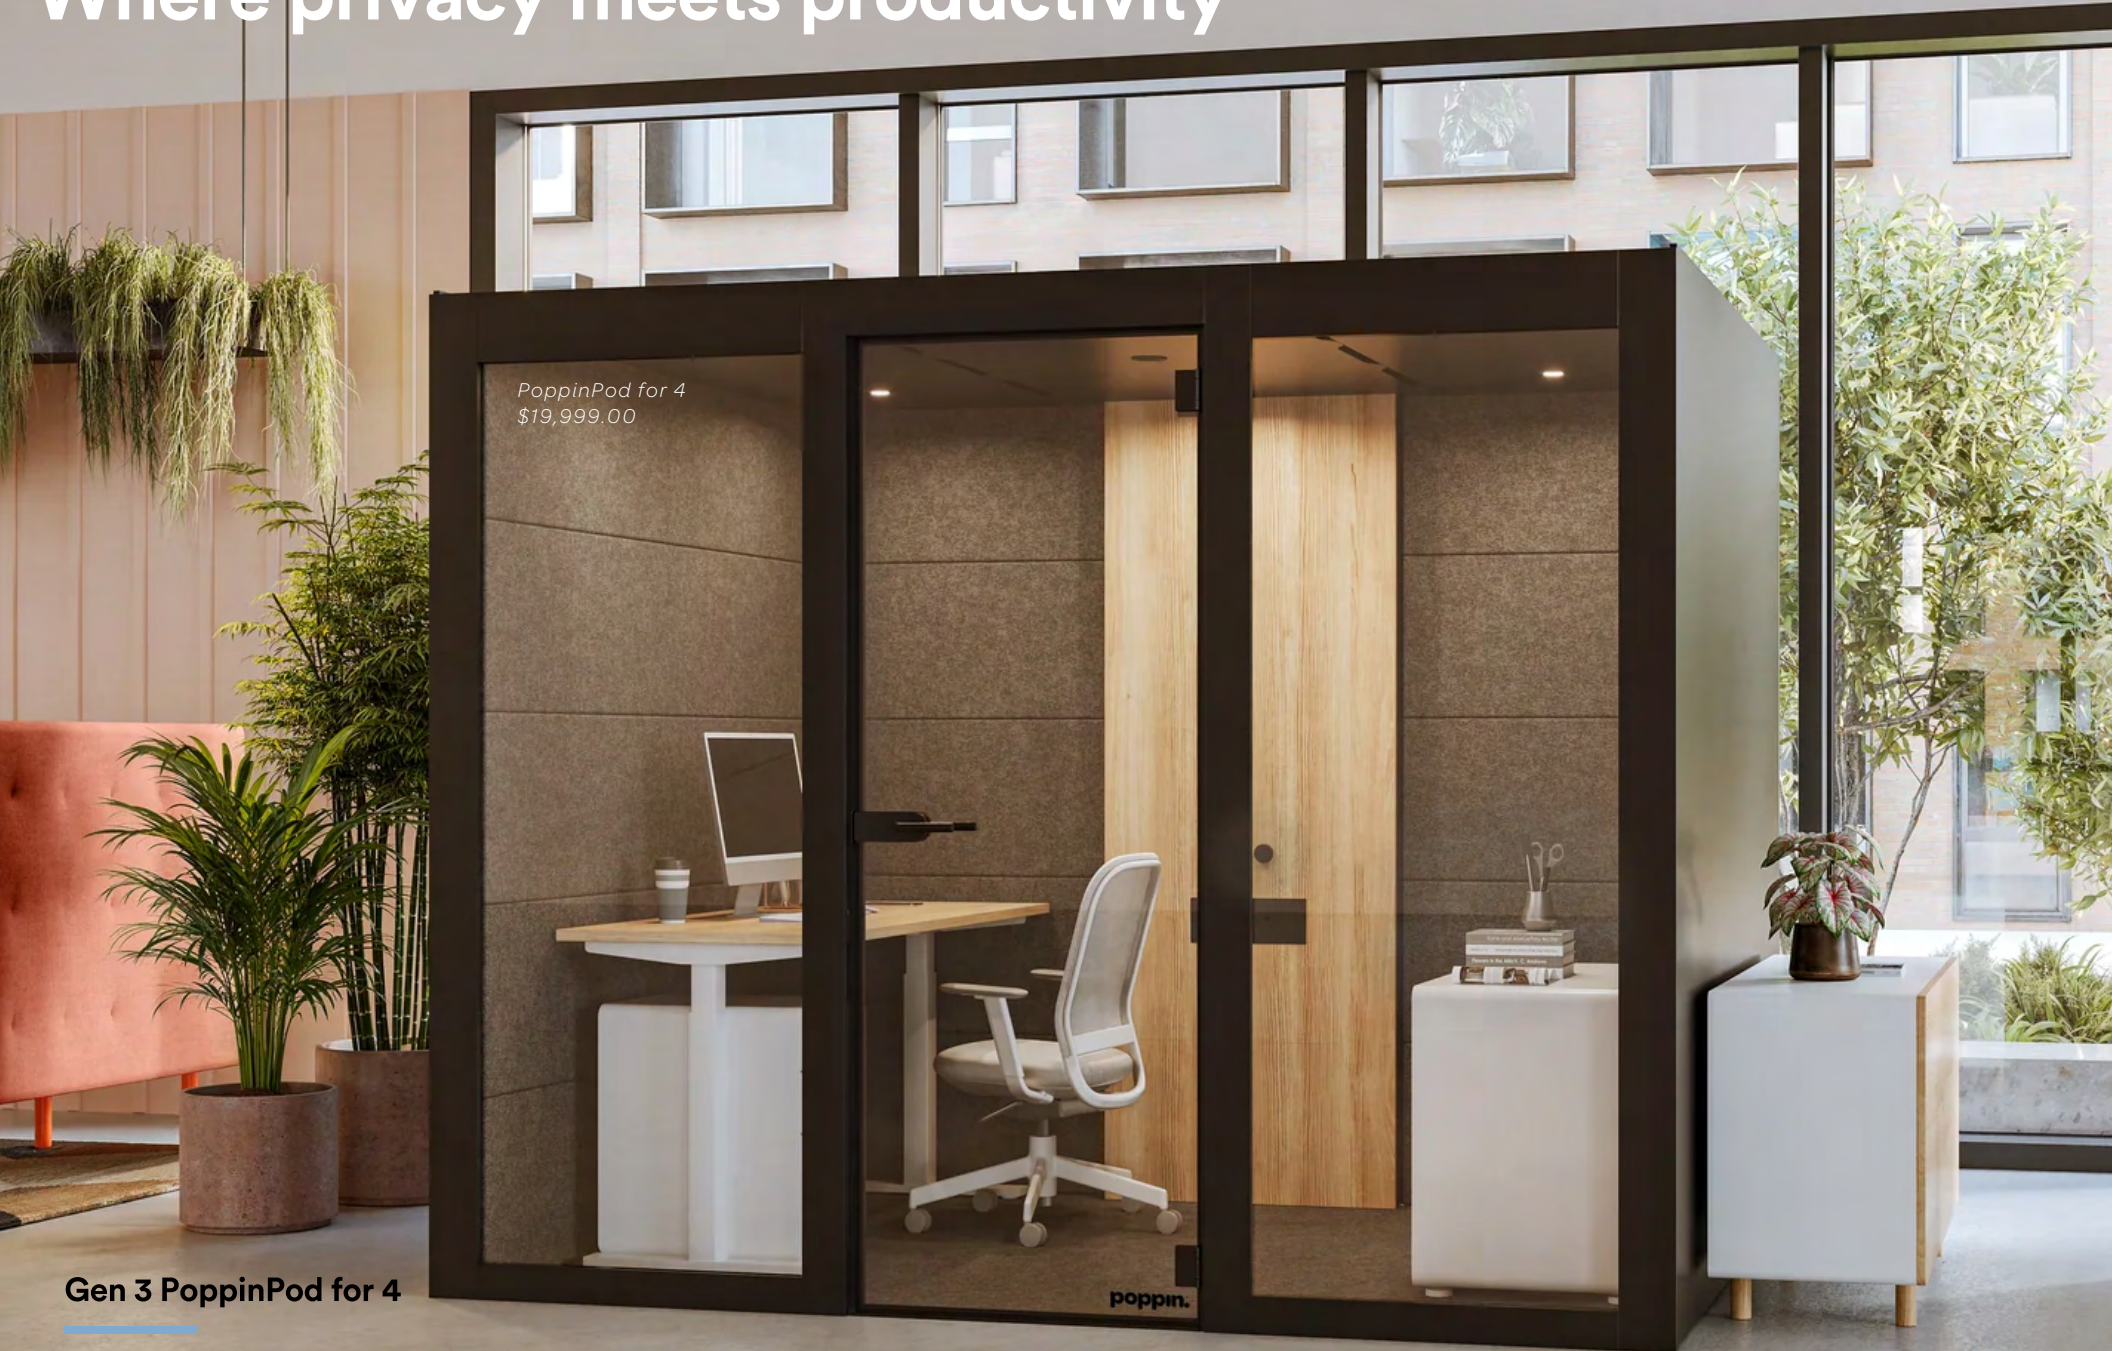

Need more meeting space—without the hassle of construction? The Gen 3 PoppinPod for 2 creates a private, sound-dampened environment for focused work, one-on-ones, or small meetings. Designed for seamless integration into open offices, this ready-to-use pod includes built-in seating and a table, transforming any space into a productive meeting area. (Available without furniture.) Outlets and USB ports ensure your devices stay powered for remote meetings, brainstorming sessions, or heads-down work. Whether for quick check-ins or confidential conversations, the PoppinPod helps your team take control of their workspace.
