Available in 6 colorways

Wide, height-adjustable lumbar support

High-density seat cushion

Optional headrest addition

ELEVATE TASK CHAIR

The Elevate Task Chair pairs clean, modern design with ergonomic support that adapts to the way you work. A breathable mesh back and adjustable lumbar support keep you comfortable from your first meeting to your last email, while the synchro-tilt recline moves naturally with your body. The high-density seat cushion provides lasting comfort, and 4D adjustable armrests help you find the perfect position for typing, reading, or leaning back. Pneumatic height adjustment and customizable tilt tension make it easy to dial in your fit. With smooth casters, a 300 lb weight rating, and optional headrest support, Elevate keeps you comfortable and focused all day long.

Bells + Whistles

- The breathable mesh back keeps air flowing while providing ergonomic support from lumbar to shoulders
- Synchro-tilt recline moves with your body for balanced support, with a lock to hold your preferred position
- Adjustable tilt tension lets you fine-tune the recline resistance to match your comfort level
- Pneumatic seat height adjustment with a 4" height range for the perfect desk fit
- Wide, height-adjustable lumbar support delivers targeted lower back comfort throughout the day
- Supportive high-density seat cushion provides lasting comfort for long work sessions
- 4D adjustable armrests move up/down, forward/back, side-to-side, and pivot for ergonomic positioning
- Optional headrest for added support
- Smooth-rolling casters glide easily on hardwood or carpet
- Polished 5-star chrome base with smooth-rolling casters for stability and effortless mobility on hardwood or carpet
- BIFMA and GREENGUARD Gold certified
