

PoppinPod for 6

Generation 3

poppinpod.[™]

Gen 3 PoppinPod for 6

Looking for more meeting space (no contractor required)? Designed to offer a quiet space in an open office environment, the Gen 3 PoppinPod for 6 gives your team the opportunity to control their environment. Pop in for focused work, a one-on-one, or a meeting that can comfortably seat up to six people. Comes with a built in table (chairs sold separately) to create a turnkey meeting room. (Available without the table). The included outlets & USB ports make it easy to power conferencing equipment, screens, or devices for remote meetings or extra-long brainstorming sessions.

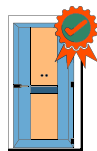

What makes us different

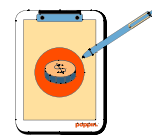

In stock + ready to ship

No long wait times—PoppinPod is in stock and ships within a few business days. Get a private, sound-insulated workspace quickly and efficiently.

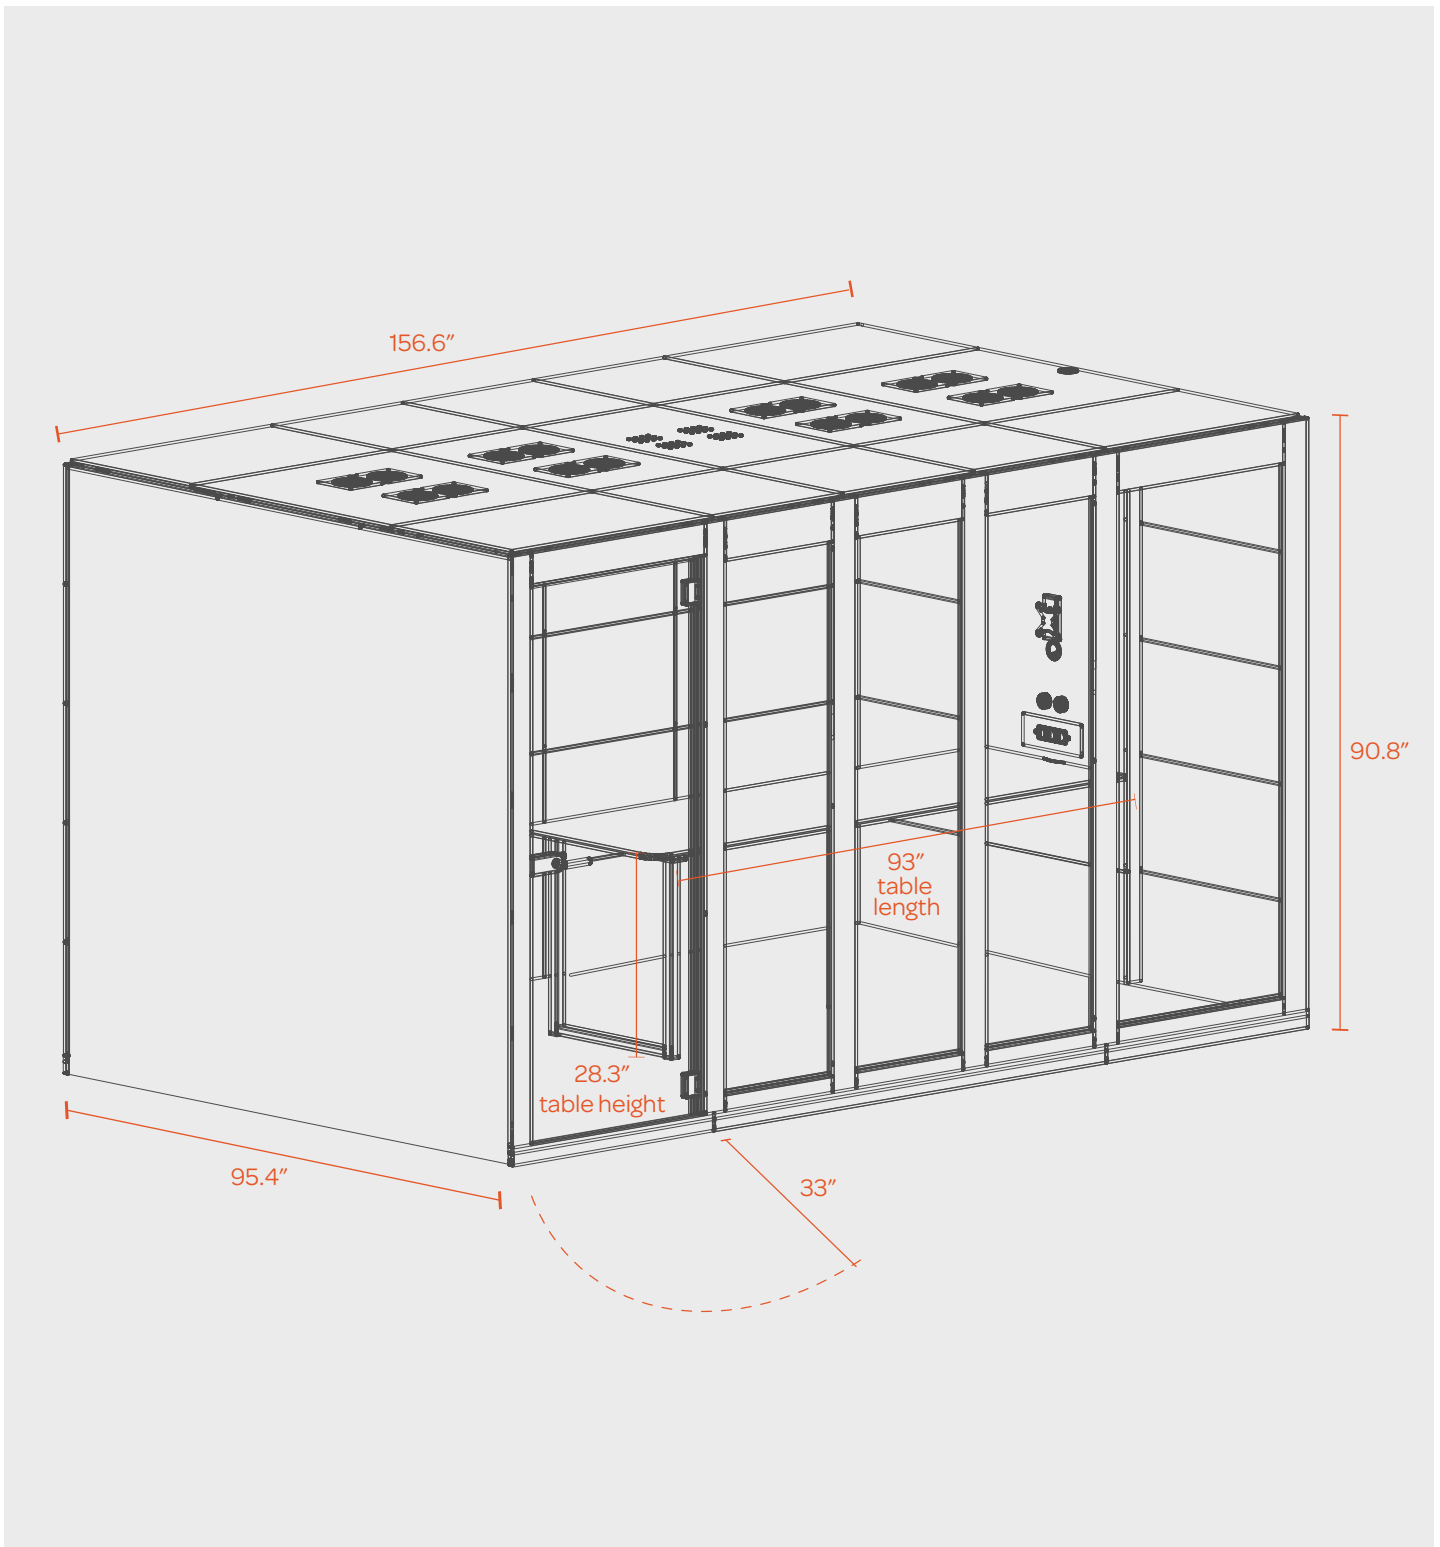

Made to last

Built with durable materials and expert craftsmanship, PoppinPod is designed for long-term use. Backed by a 10-year warranty, it offers reliability and peace of mind for any workspace.

Affordable

Designed to provide high-quality privacy at a competitive price, PoppinPod offers a cost-effective solution for creating quiet, focused spaces - delivering exceptional value compared to traditional office build-outs.

Dimensions

Your Poppin Account Executive and Project Manager can answer any questions you have about the placement of your PoppinPod.

- The footprint of the assembled PoppinPod (with the door closed) is 156.6" W x 95.4" D x 90.8" H
- The table measures 93" W x 30.5" D x 28.3" H
Also available with a standing height table at 41.3"
- When the door is opened fully, it adds 33" to the overall depth
- The interior dimension of the PoppinPod is 146"W x 90.3"D x 84.6"H
- Allow for 12" above the PoppinPod for sufficient air circulation

1. ANTI-EAVESDROP DESIGN

Each pod is designed to keep confidential conversations, phone calls, and video conferencing completely private

2. AIRFLOW

Our PoppinPod fans — which refresh in less than 1 minute — are precisely calibrated to balance comfort and acoustic performance

3. BUILT IN POWER

The Gen 3 PoppinPod for 6 comes with 2 AC outlets, 1 USB port, and 1 Ethernet or HDMI cable guide

4. PLUG + PLAY

Simply plug the power cord into any grounded 15A outlet and get right to work

5. SEAMLESS CONTROL KNOBS

Two control dials to easily adjust both the lights and fans to your desired level

6. MONITOR MOUNT

Built in monitor mount for virtual conferencing. Recommended for screens up to 32" and 22 lbs
