# QT Lounge Corner Sofa

## ASSEMBLY INSTRUCTIONS

1. Lay the corner back panel on the ground. Align the coffee table top with two brackets and secure with screws. Fold the corner around the seat frame and secure with two screws. Screw in one leg

2. Install two flat brackets

3. Lay the first flat back panel on the ground. Align the seat with L brackets and secure with screws. Feel for the hidden screw receptor on the edge of the flat back panel, under the upholstery, and make a small hole. Screw the H bracket into place. Install two flat brackets. Screw in four legs

4. Position the seat and table side by side and ensure the corner back panel edge is nested into the H bracket (no additional screw required). Use the flat brackets to secure the table to the seat. Flip the sofa + table upright

5. Lay the second flat back panel on the ground. Align the seat with L brackets and secure with screws. Feel for the hidden screw receptor on the edge of the flat back panel, under the upholstery, and make a small hole. Screw the H bracket into place. Install two flat brackets. Screw in four legs

6. Flip the sofa upright. Use the flat brackets to secure the seat to the table. Add the table tier and the pillows
