Are you ready to work happy?

FURNITURE COLLECTION

poppin.®

We're the easiest way to outfit your office

Our integrated family of products is designed to get your office up and running in 10 days or less.

Each carefully-curated piece mixes, matches, and scales with your team so you can start up, start fresh, and start working happy.

In stock & ready to ship

Need it fast? We can have your office
up and running in as little as two weeks.

Affordable

Outfit each employee with a desk, chair, and storage, starting at less than $1,000 per person—without compromising on style or quality.

We grow with you

As you grow your company, hire more people, and move into larger offices, our modular furniture is designed to grow with you.

Complimentary space planning

Share your office dimensions and vision with us, and we'll deliver custom space planning layouts and renderings in just a few days. You focus on your business, we'll handle the design.

Table of Contents

Work //

Designed for Flexibility

Our Series A Desk System assembles and scales without tools, making it the ideal choice for growing offices.

Engineered with our patented Clever Lever™ technology, this modular system can be easily rearranged to accommodate a variety of workspace styles and floorplans.

Series A Desk tops are available in White, Natural Oak, and Walnut.

Seamless Power Integration

Easily adapt the Series A Desk System with our integrated power solutions, so power and data are always at hand and out of sight.

1	Series A Double Desk	3 Max Task Chair
2	Pinnable Molded	4 Mini Stow File Cabinet
	Privacy Panels	5 Stow File Cabinet

Series L Adjustable Height Desk System

Take a Stand

Designed for ideal ergonomic work, our Series L Adjustable Height Desks allows you the flexibility to transition from sitting to standing in seconds.

The extended range of motion supports multiple uses and features four memory buttons to program your preferred heights (great for anyone up to 6'6").

Series L Desk tops are available for quick ship in White, Natural Oak, and Walnut. Additional special order colors are available.

1   *Series L Adjustable Height Double Desk*
2   *Frost White Privacy Panel*

3   *Series L Adjustable Height Single Desk*
4   *Boom Power Rail + Pinnable Fabric Privacy Panel*

Corner Desks

Available in Series A and Series L

Ideal for executive offices, the addition of a right or left hand return gives you extra room for desktop storage, multiple monitors, or simply more space to spread out.
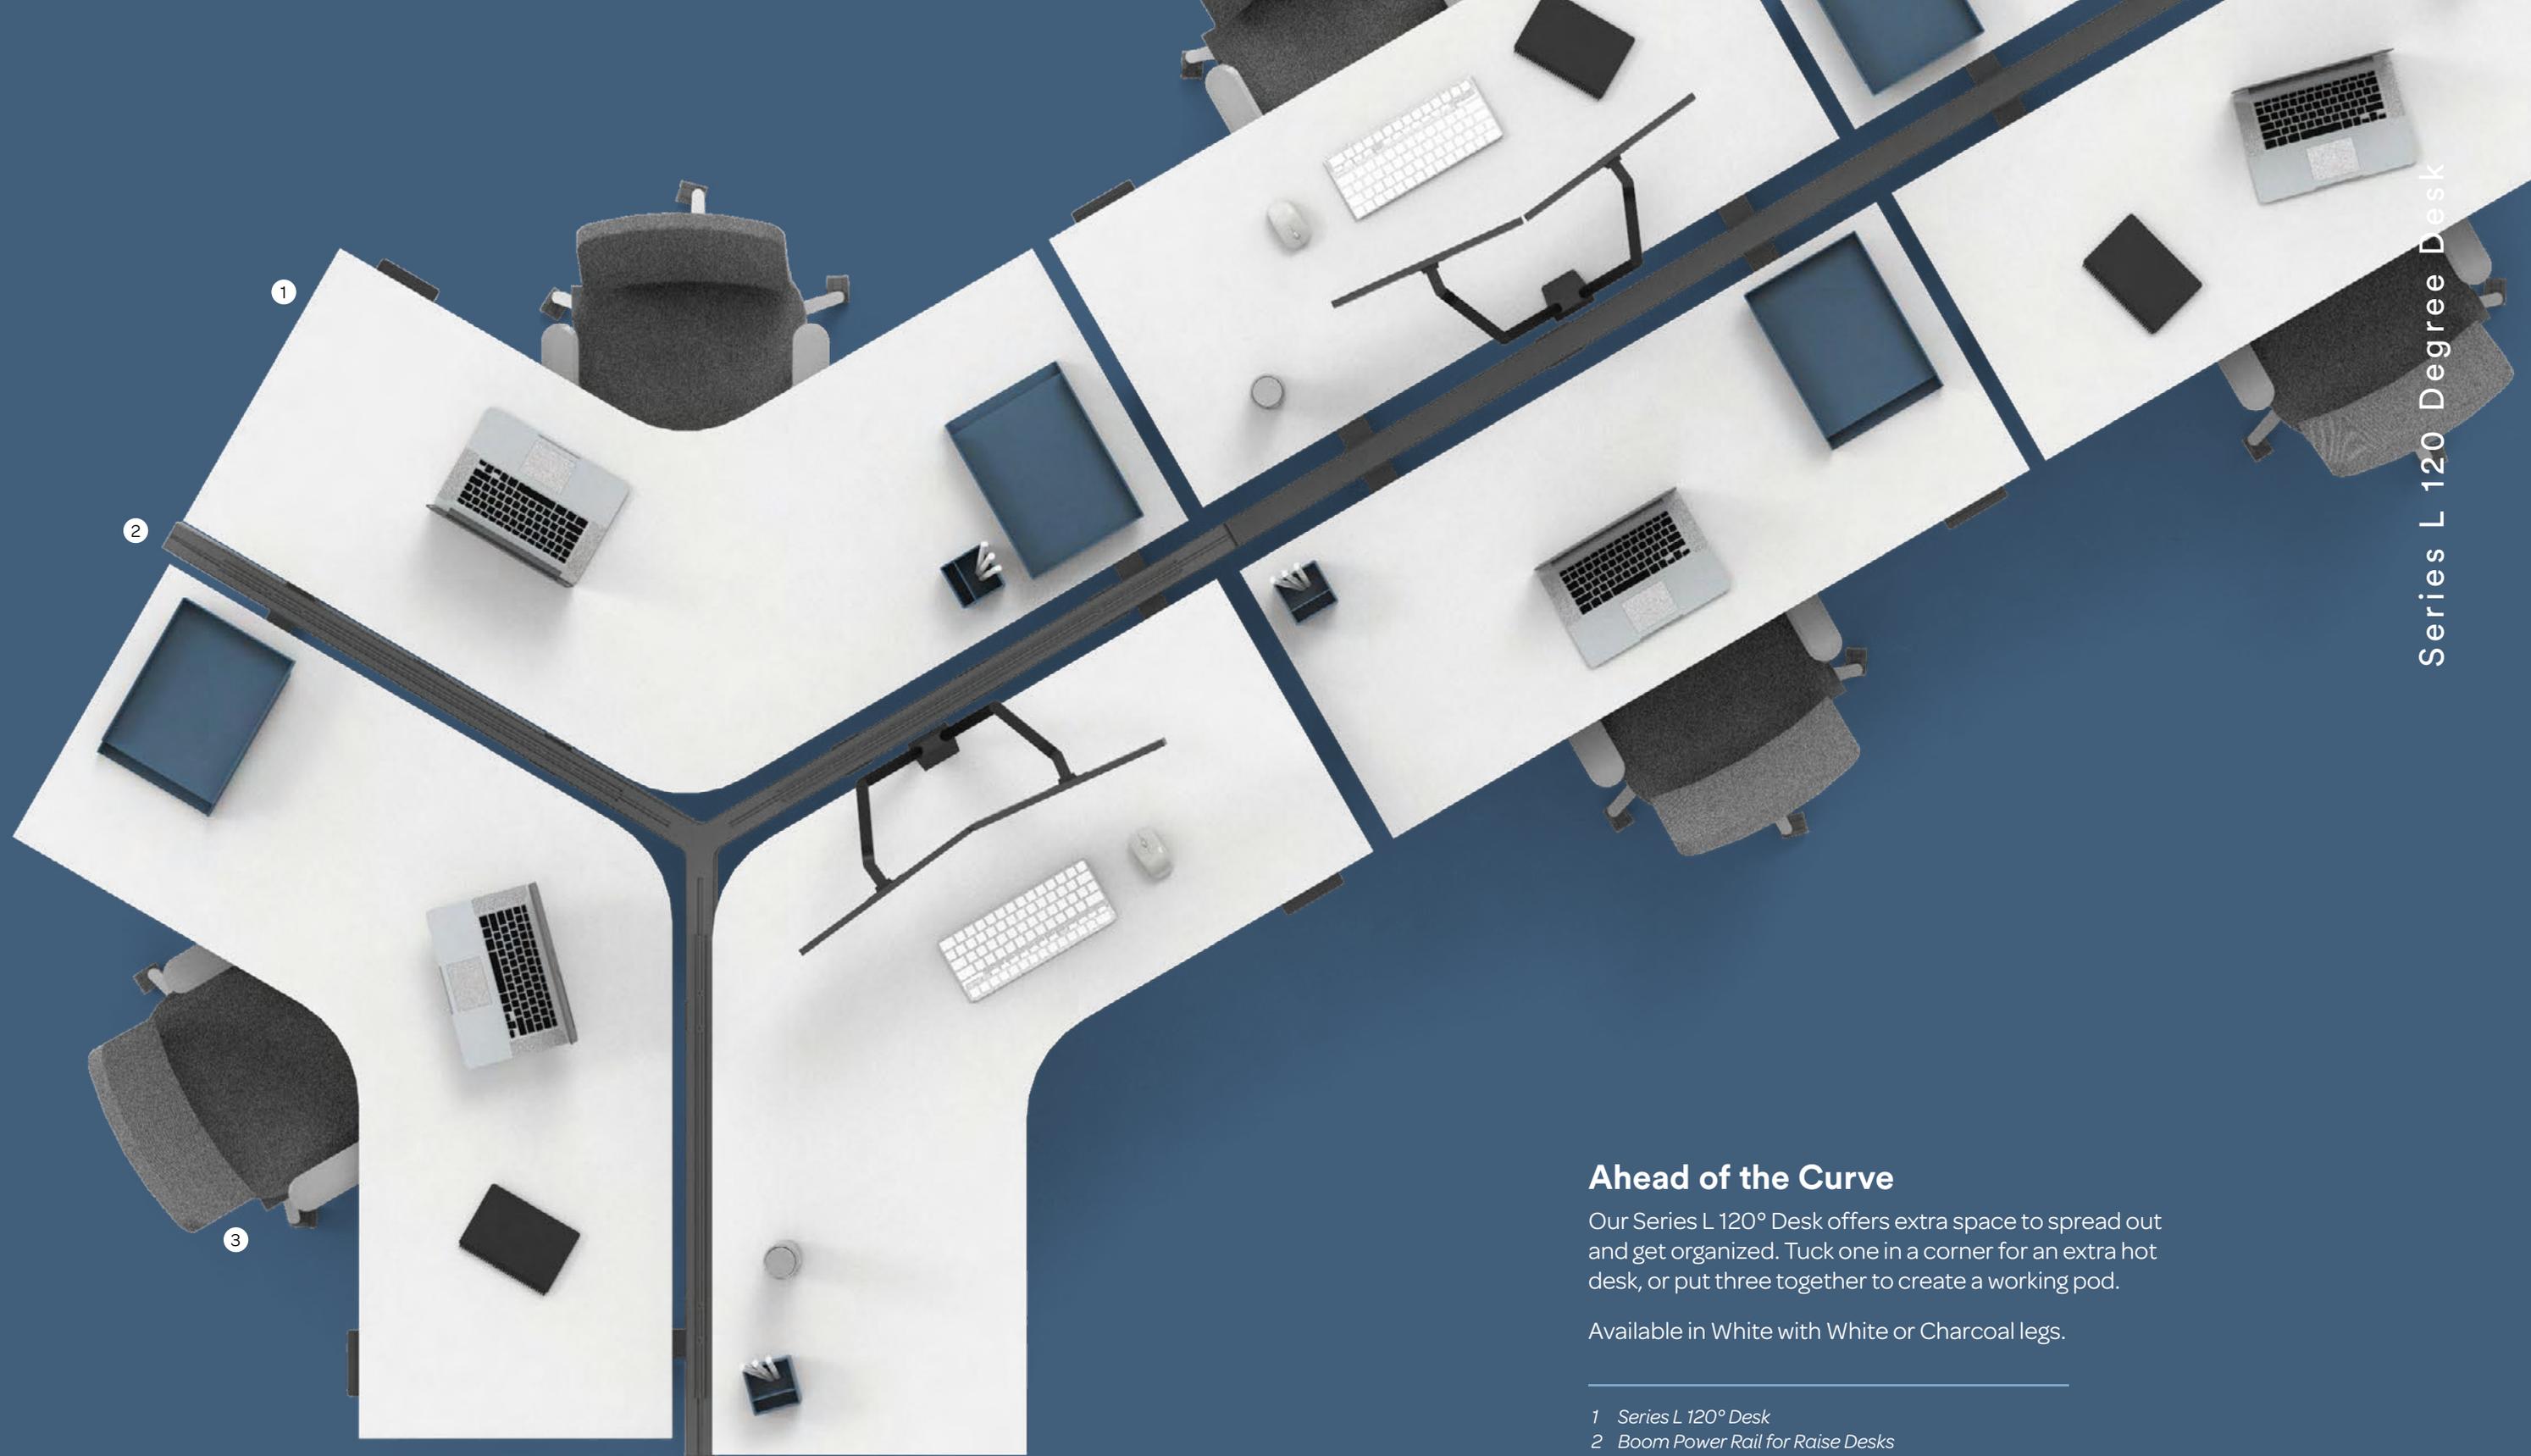

Ahead of the Curve

Our Series L 120° Desk offers extra space to spread out and get organized. Tuck one in a corner for an extra hot desk, or put three together to create a working pod.

Available in White with White or Charcoal legs.

1 Series L 120° Desk
2 Boom Power Rail for Raise Desks
3 Raise Adjustable Height Desk

Empower Your Team

Our Boom Power Rail is a smart, flexible power solution for your workspace; the freestanding design brings power to the center of your space. Compatible with both Series A and Series L Single Desks, pair the Boom with Privacy Panels to offer your employees some peace and quiet in the open office.

1   Goal Dry Erase Board
2   Boom Privacy Panel
3   Boom Power Rail

Stow 3-Drawer File Cabinet

Slim Stow File Cabinet

Mini Stow File Cabinet
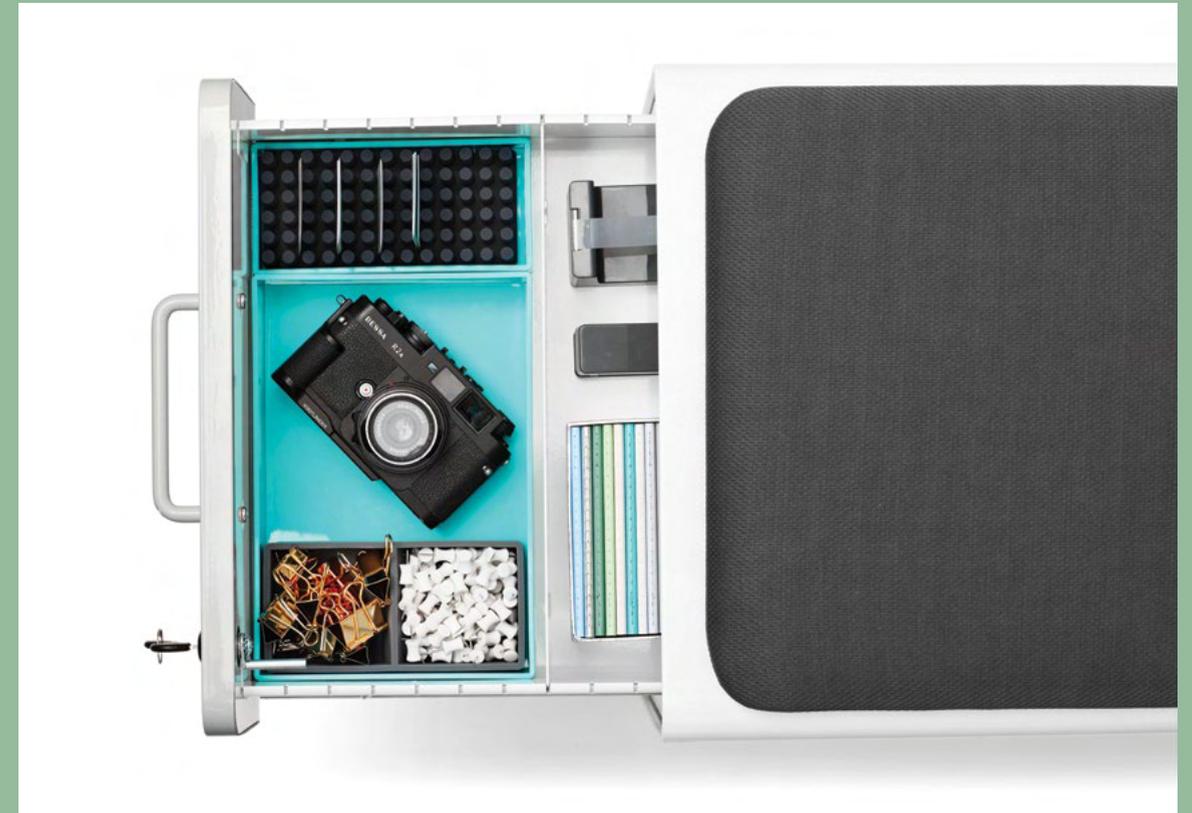

Storage the Way You Want It

Our best-selling file cabinet now comes in 4 styles:

// The classic 3-Drawer

// The Mini, for storage + extra seating

// The Slim, for fitting under 47" desks with legroom to spare

Stow 3-Drawer File Cabinet

Made in Your Shade

Our Stow 3-Drawer File Cabinets bring a pop of your company color to the personal workspace.

Made in Your Shape

Whether you've got a lot of files or loads of stuff to store, we've got private and shared solutions for everywhere in the office. Our Lateral Cabinet with two drawers is ideal at the end of a desk row, while our 4-Drawer Vertical File Cabinet offers high-rise storage with the same footprint of our standard Stow.

1   Stow 2-Drawer Lateral File Cabinet

Stash 3-Door Coat Locker

Stash 6-Door Locker

Storage on Lock

Our 4- or 6-Door Locker and 3-Door Coat Locker are ideal solutions for the hybrid office, hot desking, and shared workspaces. With individual locks for secure storage of personal items, they'll keep your team's bags and snacks super-safe.

Available in Charcoal and White.

1   Stash 3-Door Coat Locker

Max Task Chair Collection

Max Task Chair, Mid Back

Max Task Chair, High Back

Max Drafting Chair

Comfort in Color

Our Max Task Chair Collection provides all-day comfort with one-touch ergonomic adjustments, and they all assemble completely without tools so you can get rolling right away.

Choose from Mid Back, High Back, or our Max Drafting Chair.

Meet //
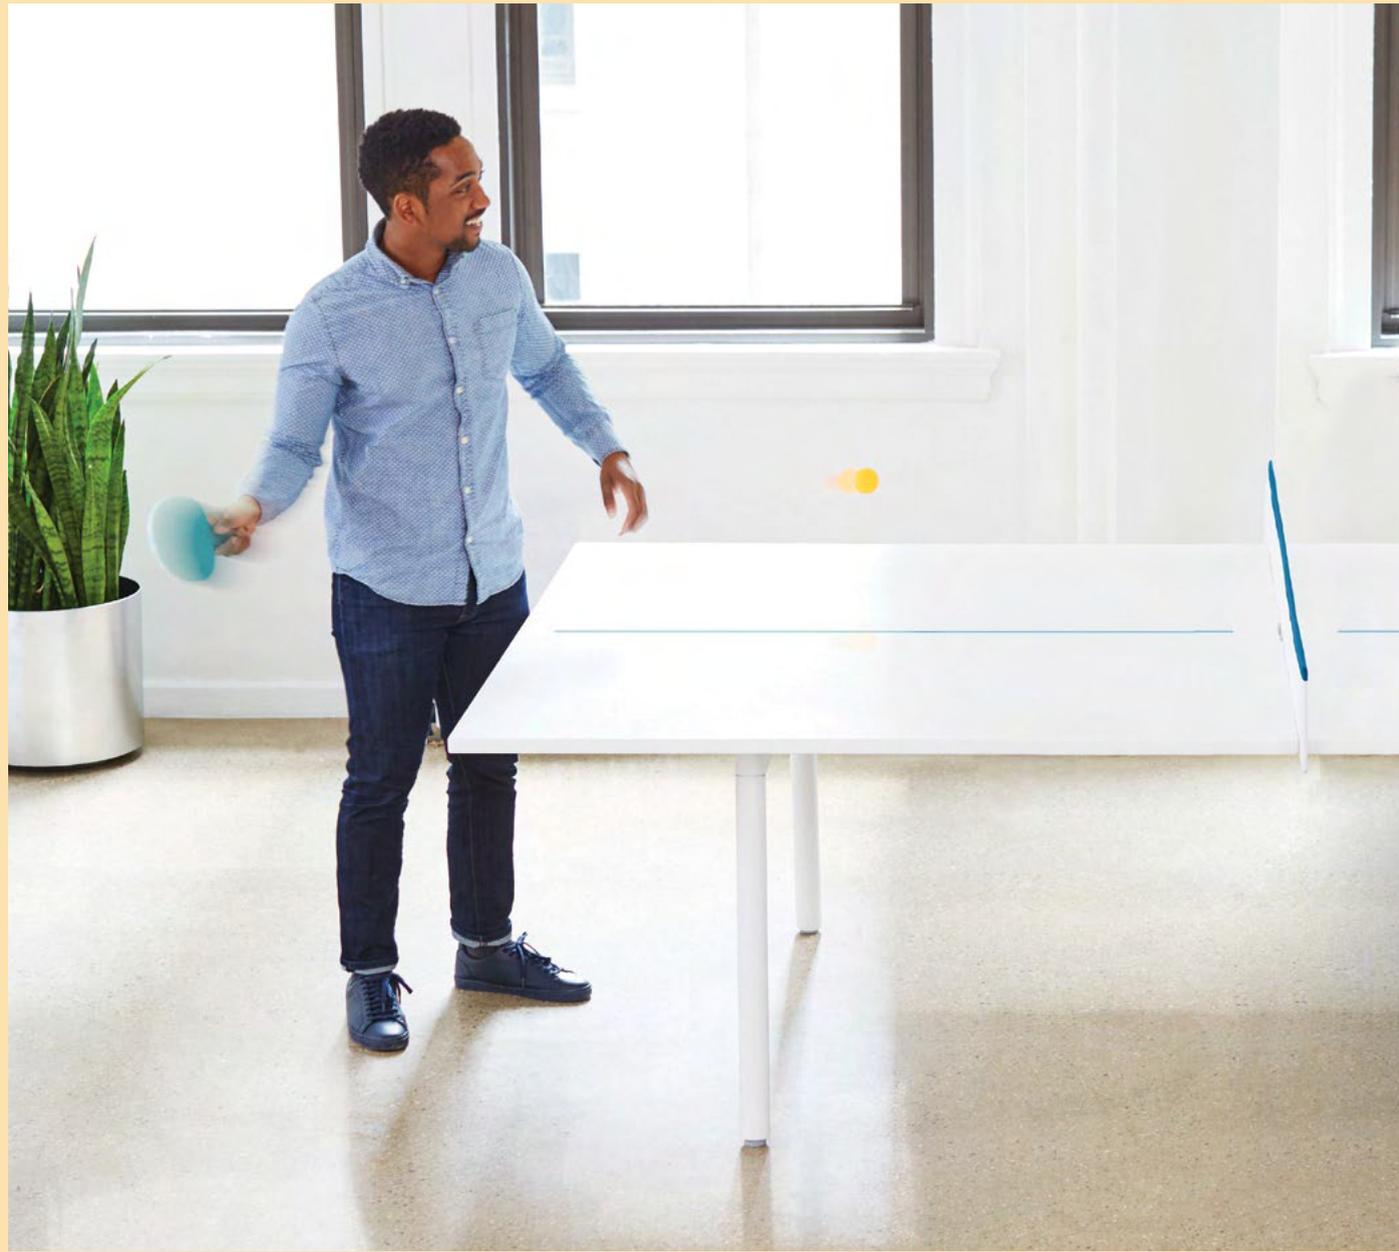

Confer and Conquer

Our signature Series A Ping-Pong Conference Table beats the competition on price, design, and innovation.

It transforms in seconds from a conference table for 12 to a ping-pong table with integrated storage for electronic accessories and the included Stiga paddles, ping-pong balls, and net.
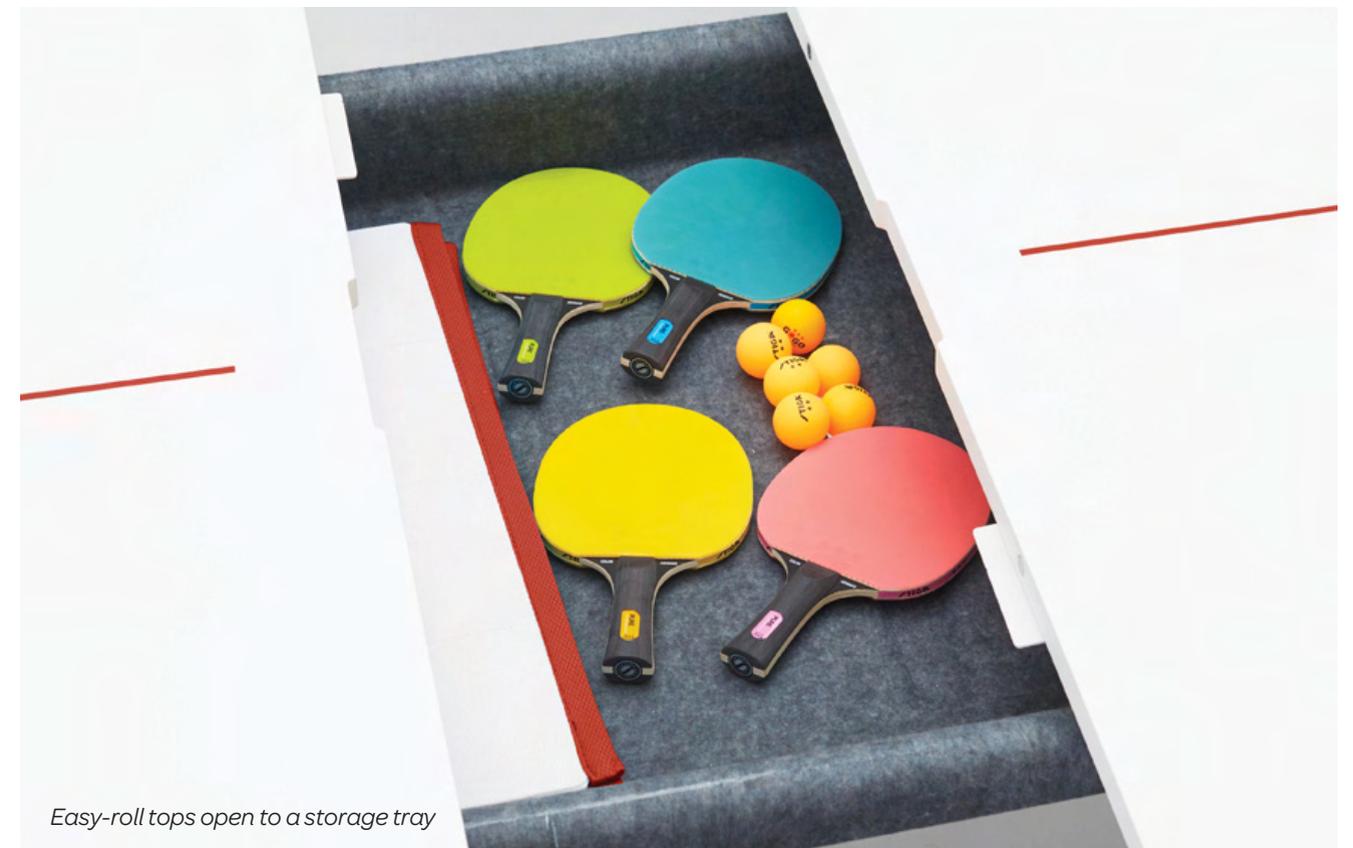

Easy-roll tops open to a storage tray

Engineered for Adaptability

Elevate pitches and presentations with our versatile Series A Table System — available in mix and match shades and a variety of sizes, from 72" to 144", to fit every conference room in your office.

Power at Your Fingertips

Our Flip-Up Power Outlet sits flush with the tabletop to maximize space. It's available in a variety of power and data configurations.

Bring Style to the Table

With rounded arms, clean lines, and leather-feel seats, the Meredith Meeting Chair is a modern, sophisticated take on conference seating.

1   Series A Conference Table
2   Meredith Meeting Chair

Series A Scale Table

Available in both Racetrack and Rectangular, our modular Series A Scale Conference Table works as a communal table for your entire team or in a traditional conference setting. With 3 power points, 2 USB points, and 1 customizable port, your team can have power at their fingertips.

Cleo Credenza
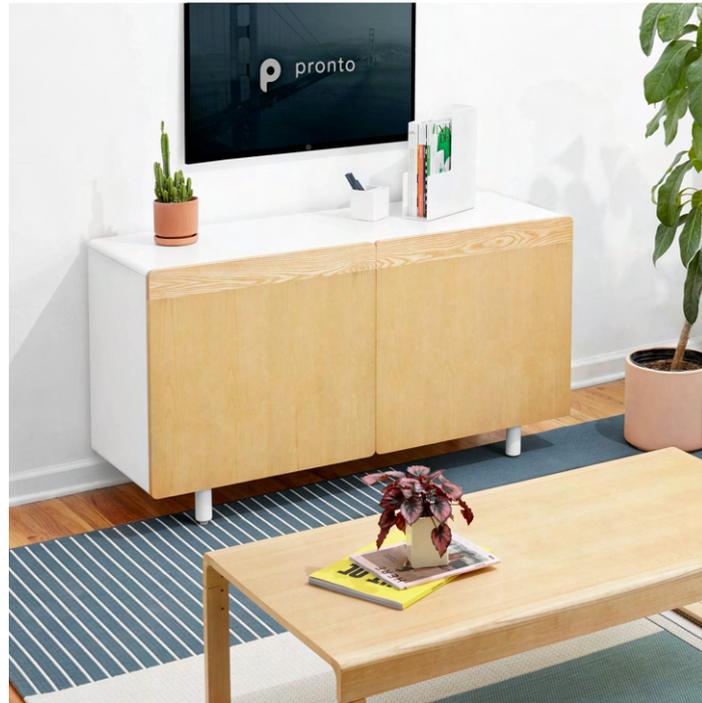

Maximize Space

In Natural Ash and painted White, our Cleo Credenza brings the texture and dimension of wood to a sleek and simple storage solution. It can be used in a conference room as a media stand, or at the end of a benched row of Series A Double Desks.
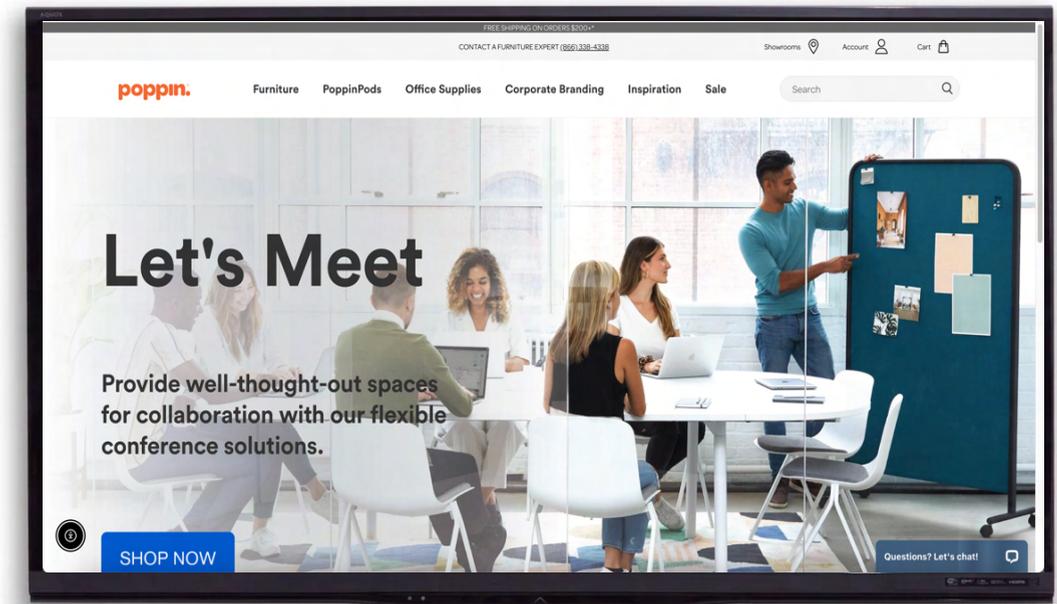

Form Meets Function

Available in a variety of sizes, our Series A Table System offers a destination for productivity, creativity, and valuable time spent away-from-desk.

Pair with our Key Stools for a space that's simple, streamlined, and promotes a healthy work environment.

1   Key Stool
2   Series A Standing Conference Table

Touchpoint Table + Chairs

Meet Up

Our Touchpoint Meeting Table is the ideal seating solution for small conference rooms, break room areas, or collaboration spaces. A variety of tabletop and base color options allow you to design a table that's totally tailored to your space.

Pair it with our Key Chairs, designed with a durable seat and a stackable steel frame that allows you to easily accommodate your seating needs.

1   *Round Touchpoint Table*   2   *Key Chair*

Key Seating Collection

Key Scoop Chair

Key Side Chair with Pad

Key Meeting Chair

The Key to Success

Our Key Chair Collection is the key to casual collaboration spaces, extra seating, and break room cafés. The Key Chair stacks up to eight chairs high so you can pull them out when you need them and hide them away when you don't.

Choose from the Key Chair with or without seat pad, the Key Scoop Chair, or the Key Meeting Chair.

Simple + Streamlined

Ideal for casual office seating, our Pitch Collection is exquisitely upholstered in Gabriel Medley fabric with a molded seat and back for firm, comfortable support. It's perfectly sized to fit anywhere, from reception areas to personal breakout spaces and executive offices.

1 Pitch Sled Chair
2 Pitch Meeting Chair in Dark Gray
3 Pitch Meeting Chair in Gray
4 Pitch Meeting Chair in Dark Blue
5 Pitch Meeting Chair in Blue

Lounge // // Page 54
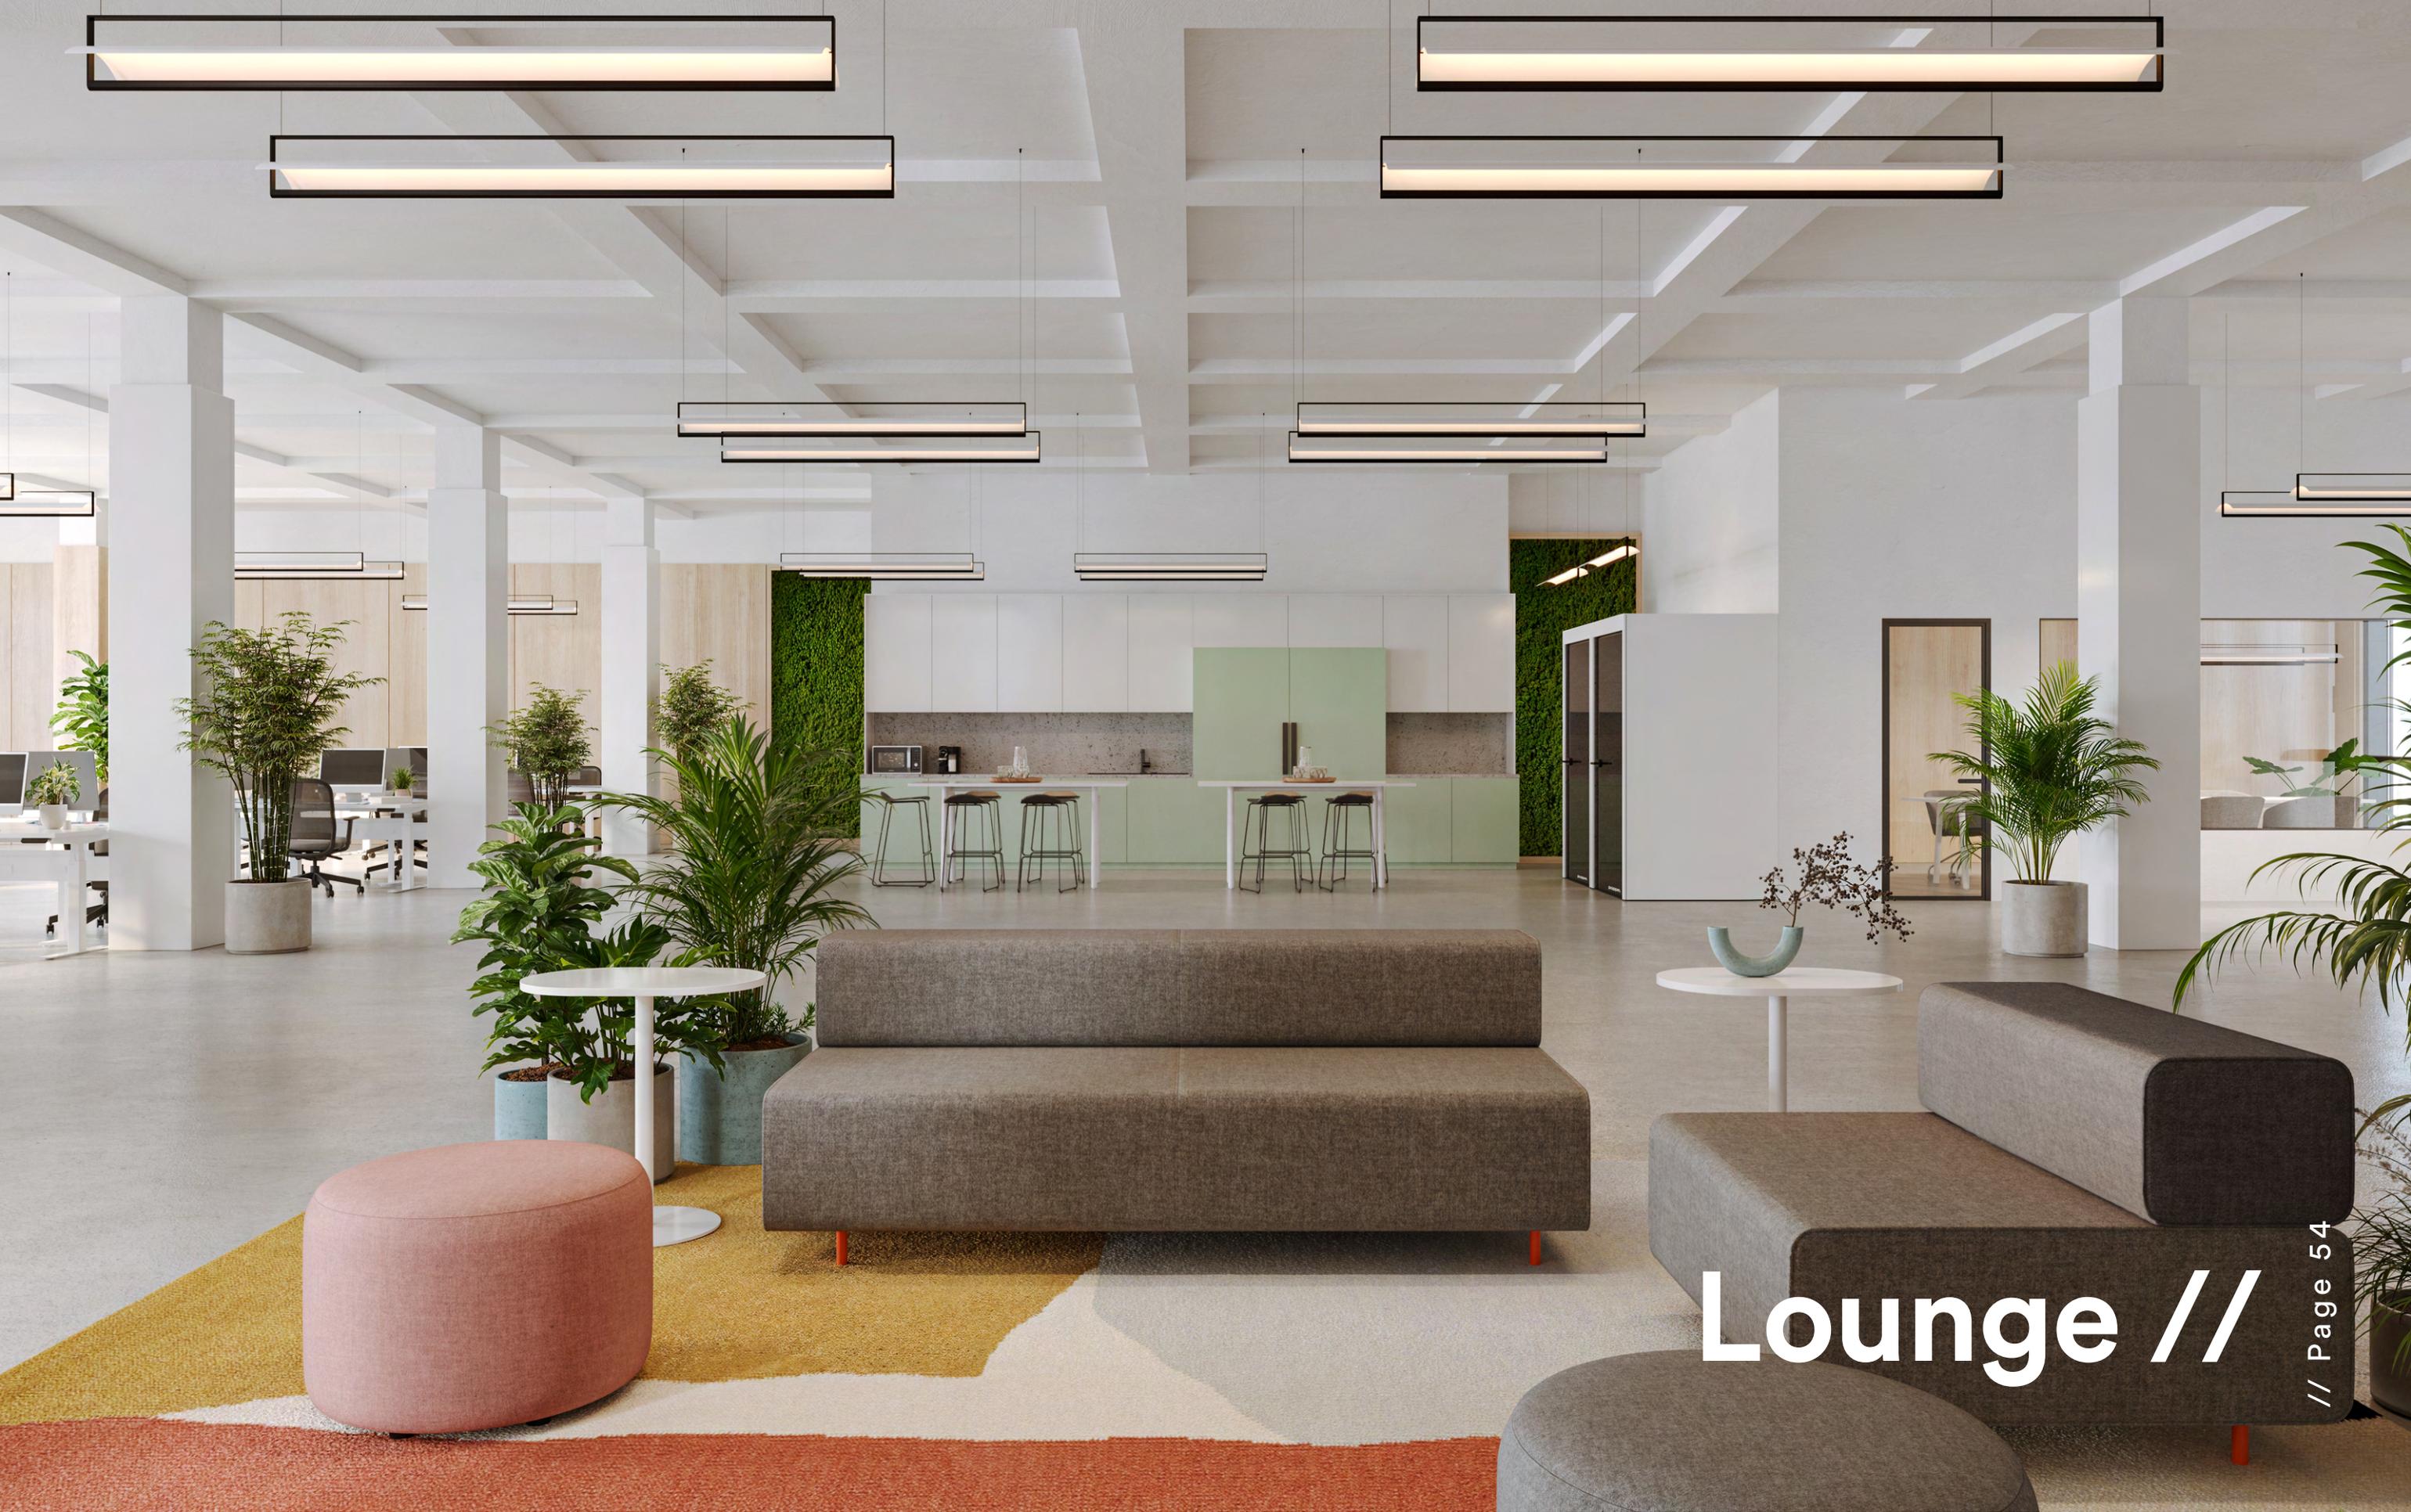

The Instant Conference Room

Our QT Chair and Sofa Booths add padded panels to mitigate noise and create a semi-private meeting area in any communal space. Simply pull up a Tucker Lounge Table or Spot Side Table and voila! A mini conference room without even calling a contractor.

1   *QT Sofa Booth*
2   *Tucker Lounge Table*

QT Adaptable Collection

Make It Modular

The QT Adaptable Lounge Collection is designed to be as flexible as an office's changing needs. With modular components including back panels and built-in tables, you can find exactly what you need for your lounge.

1   QT Adaptable Focus Sofa
2   Spot Side Table

Make Them Feel at Home

Available in a range of pastels and jewel tones, our QT Lounge Low Sofa and Meredith Lounge Chair provide residential-like seating for reception, lounges, or executive offices.

1   QT Lounge Low Sofa
2   Take Note Coffee Table
3   Meredith Lounge Chair

Block Party Lounge + Tucker Table

Mix + Match

Our Block Party Lounge system is based on 5 building blocks which can be arranged to create custom layouts for your workspace. Use it to define space, maximize square footage, and encourage creativity.

It all assembles completely without tools so it moves with your short- and long-term needs.

Our Tucker Side Tables are designed with a flat base and a durable laminate top, so they easily slide under the Block Party Lounge — keeping laptops, notebooks, or drinks close at hand.

1   Block Party Lounge   2   Tucker Table, 19"
    Corner Office

The Tucker Collection

With five versatile styles to choose from—including a standing solution and multiple coffee table heights—our Tucker Tables offer minimalist design for every room in your office.

PoppinPod + PoppinSpaces //

poppinpod.™

Work like nobody's listening.

Gen 3 PoppinPod for 1

Need a new way to work in the open office? Designed to offer a quiet space in an open office environment, the upgraded Gen 3 PoppinPod is your turnkey privacy solution. Take a quick seat for focused work or a moment of calm. Or, stretch out your legs during a private video call.

Gen 3 PoppinPod for 4

Looking for more meeting space (no contractor required)? Designed to offer a quiet space in an open office environment, the Gen 3 PoppinPod for 4 gives your team the opportunity to control their environment. Pop in for focused work, a one-on-one, or a meeting that can comfortably seat up to four people.

Comes with a built in table (stools sold separately) to create a turnkey meeting room. (Available without the table) The included outlets & USB ports make it easy to power conferencing equipment, screen, or devices for remote meetings or extra-long brainstorms.

Gen 3 PoppinPod for 2

Looking for more meeting space (no contractor required)? Designed to offer a quiet space in an open office environment, the Gen 3 PoppinPod for 2 gives your team the opportunity to control their environment. Pop in for focused work, a one-on-one, or a meeting that can comfortably seat up to two people. Comes with a built in table and booths to create a turnkey meeting room. (Available without furniture). The included outlets & USB ports make it easy to power conferencing equipment, screens, or devices for remote meetings or extra-long brainstorms.
