

PoppinSpaces // Meet

Confer

Connect

The optional door slides to the right when you're outside of your Confer or Connect Space

Choose from open, semi-private, or private layouts...

Ceiling baffles with rich heather black coloring and a chamfer edge design. One set includes 11 baffles

...to achieve your ideal level of visual privacy and sight lines

POPPINSPACES // MEET

PoppinSpaces is a flexible system of walls to give your team a better way to work. One click, your walls ship!

Need some space? We get it. Confer and Connect Spaces add definition to your open-plan office with non-load-bearing walls designed to help teams find meeting space. These four walls—optional door and ceiling baffles sold separately—create an enclosed space for formal conference rooms, impromptu standup meetings, and all the other ways your team connects. Choose from open, semi-private, and private panel layouts that offer your ideal level of visual privacy and maintaining sight lines. Acoustic panels that reduce echo and reverberation can be used on any pre-assembled PoppinSpaces so conversations can be more private.

Mix and match with other PoppinSpaces to create your ideal workspace.

Bells + Whistles

- Confer Space is 92 sq. ft. and comfortably seats up to 4 people
- Connect Space is 137 sq. ft. and comfortably seats up to 6 people
- Tempered glass panels are available in clear or opaque white (made with ceramic white coloring)
- Use dry erase markers to take notes on the glass panels
- Made from 50% recycled PET, the acoustic panels help reduce echo and reverberation
- Acoustic panels have a simple, engraved pattern to add texture, elevate aesthetics, and create visual privacy
- The optional Sliding Door is right-hand oriented and suspends from the top beam of your Confer or Connect Space — sliding to the right when you're standing outside of your PoppinSpace
- Frames are made of powder-coated aluminum with a matte, textured finish
- Optional PET ceiling baffles can be added to PoppinSpaces to further reduce sound echo and reverberation while creating a comfortable, warm, and enclosed setting. Single PET baffle dimensions: 55" L x 1" W x 4" H, 1.4 lbs.
- The PoppinSpaces Collection has achieved Indoor Advantage Gold Certification
- Meets or exceeds ANSI/BIFMA's x5.6-2016 performance standards for panel systems
- Designed by Poppin in NYC

Power

- Reach out to a Poppin Account Executive to help you bring power where you need it using one of our available power systems (sold separately)

Delivery + Installation

- Our White Glove Installation service is required

SPACE FOR FLEXIBILITY

Feeling stuck in your current layout? Our modular components can be positioned anywhere in your office (now or in the future).

SPACE FOR AFFORDABILITY

Maximize your floor plan without maxing out your budget and speed up your timeline by avoiding pricey construction.

SPACE FOR SUSTAINABILITY

Reusable walls prevent wasteful demolition for custom build-outs, which means we reduce stuff that ends up in a landfill.
