## GEN 3 POPPINPOD FOR 6

Looking for more meeting space (no contractor required)? Designed to offer a quiet space in an open office environment, the Gen 3 PoppinPod for 6 gives your team the opportunity to control their environment. Pop in for focused work, a one-on-one, or a meeting that can comfortably seat six people. Comes with a built in table (chairs sold separately) to create a turnkey meeting room. (Available without the table) The included outlets & USB ports make it easy to power conferencing equipment, screen, or devices for remote meetings or extra-long brainstormers.

### Bells + Whistles

- Meets ISO 23351-1 acoustic standards
- Anti-eavesdrop design to bring you the most private, durable, and accessible meeting room on the market
- Built-in work surface allows you to easily move from desk to pod without missing a beat
- Built-in smart control unit that automatically adjusts to the optimal ventilation and illumination setting based on your environment
- 9 Motion-activated LED lights that are dimmable from 2200 lumens
- 16 Motion-activated fans that refresh the air inside the pod every 43 seconds
- Table comes with a built in monitor mount to fit screens up to 32" and 22 lbs.

### Power Specifications

- 2 AC outlets + 1 USB integrated to the back panel of the pod for easy access
- Input: 100-240 V, 50/60 Hz
- Output: 100-240 V, 50/60 Hz
- Ability to channel the power cord through the ceiling or base of the pod allowing for flexibility based on your building's electrical access, cord length varies 3-6'

### Delivery + Installation

- White Glove assembly is available for an additional charge

### Warranty

- The PoppinPod has a 10 year Warranty

## EXPLORE THE GEN 3 POPPINPOD

Our best-in-class, upgraded features include built-in power, lighting, and comfortable ventilation. Plus, we've revisited all the details that make conversations incomprehensible so you get the most private phone booth on the market.

### 1. ANTI-EAVESDROP DESIGN

Each pod is designed to keep confidential conversations, phone calls, and video conferencing completely private

### 2. AIRFLOW

Our PoppinPod fans – which refresh in less than 1 minute – are precisely calibrated to balance comfort and acoustic performance

### 3. BUILT IN POWER

The Gen 3 Pod for 6 comes with 2 AC outlets, 1 USB port and 1 Ethernet or HDMI cable guide

### 4. PLUG + PLAY

Simply plug the power cord into any grounded 15A outlet and get right to work

### 5. SEAMLESS CONTROL KNOBS

Two control dials to easily adjust both the lights and fans to your desired level

### 6. MONITOR MOUNT

Built in monitor mount for virtual conferencing. Recommended for screens up to 32" and 22 lbs.
