

Cleo Credenza

Use the middle shelf as open storage or add an additional door

Ash wood details bring warmth and texture

Cutouts provide multiple cable access points

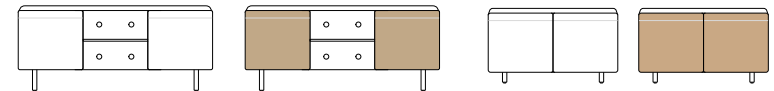

CLEO CREDENZA, 70"

In subtle shades of painted or natural ash, our Cleo Credenza is designed to bring the warmth of wood to a versatile storage solution.

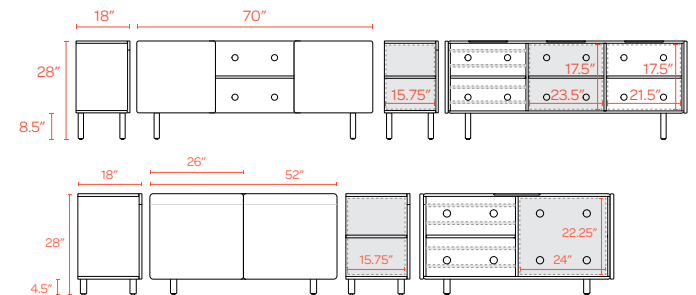

Bells + Whistles

- Cleo Credenza can be used in a conference room, as a media stand, or anywhere you need some extra storage
- Available in 52" and 70"
- Ash veneered doors and solid ash legs
- Add a third door to the open storage with our Add On Door (sold separately!)
- One open compartment is designed for storing digital equipment, binders, books, or whatever you want to show off
- All compartments feature adjustable shelves to provide space for cords with multiple cable access points
- Accommodates a flat-screen television up to 45"
- The back is fully finished to increase functionality as a room divider
- Assembles in minutes completely tool-free
- Designed by Poppin in NYC
