Power Tray provides storage for cords + cables

Each Power Pack has 4 plug points + 2 cable catches

Each Power Kit keeps cords easily accessible + neatly hidden from view
SERIES A POWER KIT

The Series A Power Kit is designed to pair exclusively with Poppin's Series A Double Desk System. The Power Tray provides ample space to conceal all your cords and cables. The Power Block puts power within reach for every person in the office, even if they are seated in the middle of an open floor plan.
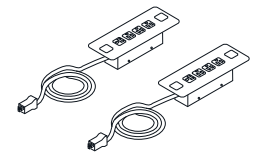

Bells + Whistles

- Each kit includes 1 Power Tray per Double Desk and 2 Power Blocks (1 per person)

- Each person has access to four plug points and two built-in cable catches for controlling other wires— like data, video, or phone lines

- The power cord is 120" long

- Conforms to UL standard 962a as a Furniture Power Distribution Unit

- Designed by Poppin in NYC

 The Series A Power Blocks plug into a standard, 15amp power outlet in your wall or floor

## Kit Includes

1x Power Tray per Double Desk   2x Power Blocks (1 per person)

The city of Chicago, IL prohibits the use of any Furniture Power Distribution Unit in commercial buildings located within city limits. Install and utilize at your own risk.
